CAREER SUMMARY

A credentialed meteorologist with a passion for telling concise and complete forecasts in an engaging manner.

EDUCATION

Texas A&M University
College Station, Texas
Bachelor of Science in Meteorology
Minor in Spanish

PROFESSIONAL EXPERIENCE

Weekday Morning/Noon Meteorologist **May 2009 to Present**
KVIA-TV, El Paso, Texas

Prepares and presents daily forecasts using Weather Central 3D: Live and Rundown. Frequently uses ESP:Live, WXWarnII and ICE. Gives daily weather updates on three major local radio stations. Prepares and posts weather updates for station website, Facebook and Twitter pages. Contributed to the "StormTRACK First Alert", an early warning system for the viewing area. Produced packages for "Monsoon Awareness Week." Volunteers on the Extreme Weather Task Force, giving supplies to needy families during extreme weather. Involved in community events and school visits.

Meteorology Intern **September 2007 to May 2009**
KBTX-TV, Bryan, Texas

Assisted chief meteorologist with forecast preparations. Built some graphics using Weather Central 3D: Live and Rundown.

Meteorology Intern **Date to Date**
KXAN-TV, Austin, Texas

Updated closed captioning by writing short weather forecasts for each weather segment. Helped prepare weather presentation for chief meteorologist.

PROFESSIONAL AFFILIATIONS

Certified Broadcast Meteorologist 2013
Member of American Meteorology Society
