EDUCATION

Florida State University

Tallahassee, Florida
Bachelor of Science in Meteorology
Minor in Mathematics

PROFESSIONAL EXPERIENCE

Primary Meteorologist

2011 to Present

WZTV-TV, Nashville, Tennessee

Responsible for forecasting on all primary newscasts in addition to recreating station's weather graphics to create a cohesive look. Also in charge of coordinating schedules in the weather department.

Weekend Meteorologist/MMJ

2009 to 2011

KSLA-TV, Shreveport, Louisiana

Created and delivered accurate local forecasts for weekend evening newscasts as well as station's website and radio.

Morning Meteorologist

2006 to 2008

KOKI-TV, Oklahoma City, Oklahoma

Responsible for forecasting weather for 4-hour weekday morning newscasts. Involved in launch of the highly successful show and created the graphics and look of the weathercasts.

Meteorologist/Producer

2004 to 2006

KOLD-TV, Tucson, Arizona

Created all new graphics for weather team, forecasted and delivered weathercasts, updated station website, and trained interns on weather system and forecasting.

Meteorologist/Co-Ancor

2002 to 2004

WMDT-TV, Salisbury, Maryland

In addition to weather forecasts, served as co-anchor for weekday morning newscast. Developed original, creative weather graphics.
