CAREER SUMMARY

An innovative and dependable, NWA-sealed meteorologist, experienced in forecasting severe and tropical weather. Extensive knowledge of all the latest weather technology. Proven leader in social media engagement.

EDUCATION

University at Albany, State University of New York
Albany, New York
Bachelor of Arts in Broadcast Meteorology

PROFESSIONAL EXPERIENCE

Meteorologist

January 2013 to Present

WDRB-TV, Louisville, Kentucky

Weekday evening meteorologist for 6:30 and 11pm newscasts. Hired for weekend morning and weekday midday newscasts, before being promoted to current position.

Meteorologist

March 2012 to December 2012

WTXF-TV, Philadelphia, Pennsylvania

Served as freelance meteorologist, both in the studio and on remote locations.

Meteorologist

March 2011 to December 2012

WMGM-TV, Atlantic City, New Jersey

Delivered forecasts as the weekday morning meteorologist. Contributed video and print updates for the station's website. Attended charity and social events throughout the community.

Intern

May 2008 to January 2011

WNYT-TV, Albany, New York

Earned valuable on-air experience and learned the mechanics of a weather team. Developed computer skills and learned meteorological technology on the job.

PROFESSIONAL AFFILIATIONS
