CAREER SUMMARY

An AMS Certified Broadcast meteorologist experienced in various types of severe weather including blizzards, tornados, and hurricanes.

PROFESSIONAL EXPERIENCE

Meteorologist

January 2015 to Present

WZVN, Fort Myers, Florida

Morning meteorologist for ABC 7 "More in the Morning" newscast. Provides severe weather coverage, including wall-to-wall tornadoes and special tropical storm coverage. Live wall-to-wall coverage during the landfalls of Hurricane Ian and Hurricane Irma in SW Florida. Live in the field coverage of Hurricane Nicole. Hired as weekend meteorologist and promoted to weekdays in 2018.

Meteorologist

June 2010 to December 2014

Accuweather

Served as meteorologist for Accuweather.com and the Accuweather Television Network. Appeared regularly on ABC World News Now and contributed live and live-to-tape segments for various networks, including: ABC, Fox News and Fox Business Network, and HLN. Also contributed weekday morning forecasts for WVII in Bangor, Maine, as well as taped weather segments for NFL.com and New England Sports Network, all through Accuweather.

Intern

May 2009 to July 2010

National Weather Service

Worked alongside NWS Meteorologists. Assisted in operations during severe weather events. Learned the process and methodology behind government issued warnings.

EDUCATION

The Pennsylvania State University

State College, Pennsylvania
Bachelor of Science in Meteorology
