CAREER SUMMARY

A meteorologist with experience with all different types of weather coverage and broadcast experience in the studio and out in the field.

PROFESSIONAL EXPERIENCE

Meteorologist

December 2020 to Present

Interim Weather Chief

May 2022 to August 2022

KOKH Fox 25 News, Oklahoma City, OK

Performs on-air severe weather coverage of thunderstorm and tornado warnings while utilizing footage and live reports from storm chasers. Forecasts, plans, and leads coverage on active weather days. Develops and delivers engaging Baron Lynx weather graphics and forecasts to tell informative weather stories shown online, on-air, and on the station's social media. Writes and produces weather/science explainers along with live weather and feature reporting.

Saturday Night Sports Anchor

December 2021 to Present

KOKH Fox 25 News, Oklahoma City, OK

Researches and organizes local and national sporting events content. Writes, edits, produces, and anchors the weekend sports show. Delivers play-by-play highlights and features as co-host of weekly sports talk show.

Meteorologist

October 2018 to December 2020

WHTM, Harrisburg, PA

Developed and delivered on-air forecasts using WSI Max to over 640,000 potential viewers of the Susquehanna Valley. Attended school talks and interacted with viewers on social media sites.

Meteorology Department Intern

June 2018 to August 2018

WHTM, Harrisburg, PA

Produced weather reports on digital platforms using WSI Max.

EDUCATION

Pennsylvania State University

May 2020

University Park, PA

Bachelor of Science in Meteorology and Atmospheric Science

Minor in History
